19

#### 20 **5. Interstate Medical License Compact, Presentation by Marschall Smith, Exec. Director, ILMCC**

21 Mr. Marschall Smith provided an overview of the history, structure, benefits and liabilities of the ILMCC.

22 Key points addressed:

- 23 • Thirty-nine states are in the Compact, 15,000 physicians have used the Compact; 55,000 licenses  
24 have been issued; large influx during the pandemic
- 25 • Key benefits is the reduced time for physicians to receive licensure and reduced workload on  
26 licensing staff
- 27 • License issued through the compact are issued under the member state board and subject to  
28 that state's practice of medicine requirements
- 29 • Entering into the Compact requires an act from the state legislature
- 30 • Member states are reimbursed weekly from the ILMCC, the full amount of their application and  
31 license fees

32 Board members Dr. Paulson and Dr. Heilala voiced interest in continued exploration of the Compact  
33 because it may help with the current barriers to recruiting physicians to work in Alaska and it promises  
34 efficiencies for licensing staff. As a follow up, the Chair suggested that a separate special meeting be  
35 scheduled to exclusively discuss the Compact.  
36

39  
40 **9. DEA Update, Katherine Brown, Diversion Unit Regional Manager**

41 Chair Wein invited Ms. Brown to address the Board. Ms. Brown shared recently released data from the  
42 Dept. of Health indicating overdose deaths in Alaska decreased in 2022 compared to 2021. The DEA has  
43 begun to shift from an almost exclusive focus on law enforcement and illegal drug interception to  
44 supporting more enhancements to substance abuse treatment options. The DEA recently lifted the  
45 requirement for providers to obtain a special "waiver" to prescribe Medication Assisted Treatment  
46 (MAT), such a buprenorphine for the treatment of opioid addiction. Instead, effective June 2023, all  
47 practitioners who hold a DEA number will have the ability to prescribe MAT with no limit to the number  
48 of patients they may serve. MAT prescribers will be subject to completing an online training, the

training is still in the process of being developed. Physicians who are board certified in Addiction or graduated from medical school within the last five years will be exempt from the training. Public awareness about the dangers of illicit drugs remains critical. The DEA continues to track and intercept highly lethal forms of synthetic opioids being smuggled into the country from Mexico and China. Users are often able to access these drugs off of the internet.

#### **10. Citizen Concern – Limitations in New Telemedicine Legislation**

Alaska resident, Ms. Debbie Penrose-Fisher was invited to address the Board regarding her barrier to accessing much needed telemedicine services due to the limited criteria set forth in the new telemedicine law enacted last year. According to AS 08.01.085(b), to qualify for telemedicine encounters with a physician not licensed in Alaska, an Alaska patient must have a pre-existing relationship with the physician practicing by telemedicine or the patient must be experiencing a life-threatening condition. AS 08.01.085 (j) (3), defines “life threatening” as “any disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.”

In her testimony, Ms. Penrose-Fisher disclosed that she suffers from severe co-morbid chronic health conditions. Ms. Penrose-Fisher’s primary care provider has recommended she be evaluated and treated by medical specialists not available within a reasonable travel distance from her home. Her primary physician is uncomfortable / unwilling to classify her conditions as “life threatening” at this time, therefore Ms. Penrose-Fisher does not meet the criteria to be treated through telemedicine by a physician not licensed in Alaska.

**In a motion duly made by Ms. Mielke and seconded by Ms. Bigelow Hood it was requested that the Executive Administrator draft a letter in support of Ms. Penrose-Fisher meeting the criteria to be treated through telemedicine under the criteria of “life threatening condition” and for the Executive Administrator to work with a volunteer from the Board to draft an alternative definition of life threatening condition to be included in regulation and proposed at the next quarterly board meeting.**

Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Dr. Heilala, Ms. Mielke, Dr. Paulson, Dr. Wein, Mr. Wilson

Absent for vote: Dr. Parker

#### **11. Public Comments**

- Jenny Fayette, President of the AK Physician Assistant Association (AKPAA), provided testimony in opposition of the draft changes approved by the Board during the February 2, 2023 special Board Meeting
- Jeannie Monk, AK Hospital and Health Care Association, provided testimony related to ongoing concerns for the length of time it still takes for physicians to get licensed in Alaska. Confusing
- Brandy Seignemartin, President of the Alaska Pharmacy Association, requested the Board’s support for draft legislation the association is working on related to limiting the scope and influence of Pharmacy Benefit Managers in Alaska order to promote patient pharmacy choice in Alaska.
- Wendy Smith, past President of the AKPAA, provided testimony in opposition of the draft changes approved by the Board during the February 2, 2023 special Board Meeting; specifically she identified changes to the remote practice section of the regulations, which she believes will significantly limit access to care for rural residents of Alaska.

Abstained: Dr. Heilala, Dr. Paulson and Dr. Wein

#### **14. Division Update**

Natalie Norberg provided a brief overview of the Board's FY 23 second quarter Budget Report highlighting a growth in revenue compared to this quarter last year. This revenue spike is attributed to 2022 being a renewal year and the fees collected as a result of licensee renewals. The Board was briefed on SB 55, introduced by Senator Wielechowski, which proposes to re-authorize the Medical Board for eight years, the maximum amount of time allowed, as recommended by the recent legislative audit report. Board members were reminded that there must be a representative from the board present at every hearing pertaining to this bill and that when representing the Board for any matter with the legislator, that representative and any statements made to the legislator must be fully endorsed by the Board.

**On a motion duly made by Lydia Mielke, seconded by Sarah Bigelow-Hood and approved by roll call vote, the Alaska State Medical Board approved Dr. Wein to be the spokesperson for HB 55 and to the legislature for the 2023 session.**

Roll Call Vote: Yeas, Ms. Bigelow Hood, Dr. Freeman, Dr. Heilala, Ms. Mielke, Dr. Parker, Dr. Paulson, Dr. Wein and Mr. Wilson.

#### **15. Pharmacy Agreements – Request from Board of Pharmacy for Regulation changes**

Chair Wein invited Ashely Schafer, Chair for the Board of Pharmacy to address the board. The Board of

Pharmacy is currently working on legislation to reform some of its licensing statutes. The legislation would also provide for Board oversight of internet pharmacies and to ensure compliance with the Drug Supply Chain & Security Act. Chair Schafer explained that both the Medical Board and Board of Pharmacy have similar regulations pertaining to Cooperative Practice Agreements. Pharmacy Practice agreements have been in existence since the 2000's. In 2015 pharmacists gained legislative authority to independently prescribe and administer immunizations. The Board of Pharmacy is specifically requesting that the Medical board repeal the language in its regulations related to the requirement of a patient needing a physical exam prior to a patient being administered services by a pharmacist. The Board of Pharmacy is also requesting the repeal of the term "Cooperative," and instead adopt the term "Collaborative" in reference to Practice Agreements. It was noted by Natalie Norberg and Sarah Bigelow-Hood that "Collaborative Agreements" is the term already in use in regulation and in the health care industry to describe the formal practice agreement between physician assistants and physicians. Chair Wein thanked Chair Schafer for the presentation and invited her to participate in a separate work session with the Medical Board to allow for further discussion and consideration of the changes proposed.

**16. Break.** The Board went off the record at 3:03 p.m. for a break. The Board returned on the record at 3:22 p.m.

**On a motion duly made by Lydia Mielke, seconded by Sarah Bigelow Hood and approved by roll call vote, the board voted to deny Dr. Barry Grey renewal of his license, in accordance with AS 08.64.240(a)(3) and (b) and AS 08.64.326 (a) (8) (B) and (C). The Board cited in its decision concerns about Dr. Grey's fitness to to provide safe care to Alaskan patients.**

Roll Call: Yeas, Ms. Bigelow Hood, Dr. Freeman, Dr. Heilala, Ms. Mielke, Dr. Parker, Dr. Paulson, Dr. Wein and Mr. Wilson

## **19. Chair Updates**

Chair Wein provided a recap of the topics identified during the meeting that will require further examination (special meetings) and action by the Board. The topics include: more stringent sanctions for hospitals who fail to report investigations on physicians and for physicians who refuse drug testing; the Interstate License Medical Compact and the request by the Board of Pharmacy to change regulations. Chair Wein encouraged all board members to read the recently released report regarding

1 the PDMP.
